**REPORTS**

**Director of Parks & Recreation**

In addition to the written report, Pacanowski informed the Board that the pickleball court and oak pathway has had asphalt completed. The pickle court surface will now need at least 30 days before color coating.

Additionally, Pacanowski asked for direction concerning signage for lighting hours for the pickleball courts. Pacanowski stated that some area signage states pickleball play starts at dusk and ends at 10pm.

After some discussion it was unanimously agreed for the signage to not designate any start time and only state that pickleball ends at 10pm. The Board will monitor pickleball playing start times and adjust signage as necessary.

Pacanowski asked for Board approval to move forward with resurfacing of the central pathway during the construction of the OSLAD project in order to take advantage of a discounted price of \$13,500 for the project. The Board unanimously agreed to move forward with the resurfacing of the central pathway.

Additionally, Pacanowski notified the Board that the date for replacement of the lighting at the Burr Ridge Community Center will be September 14, 2025.

### Superintendent of Finance

Nothing further added to the written report.

Caplis asked when the Oak Grove event will take place. Janusz responded that it will occur in October.

### Recreation Division

Nothing further added to the written report.

## **UNFINISHED BUSINESS**

### Discuss Woods Pool 2025 Operations

Pacanowski notified the Board that the kiddie pool leak was an approximately 5 or 6 foot long pipe replacement. Once fixed, if there is still significant water loss, then the leak will be in the main pool area and will have significant costs associated with a repair.

Caplis asked when an answer will be known if we got the main leak fixed.

Pacanowski responded that when the pool is refilled and pumps running in the Spring it will be known whether there is a significant leak beyond the repair.

Caplis asked who will be scraping and repainting of the bathrooms at Woods Pool

Pacanowski responded that it will be employees Jorgé and Chilo.

Caplis asked that Pacanowski get an estimate on repainting the floor during the winter so that if appropriate, work can be done in the spring.

Pacanowski will get estimates and if appropriate, the expense will be placed in the capital budget.

Caplis also requested that the Woods Pool chairs be placed into storage.

Pacanowski responded that Dave Nowak had to return immediately to the office to complete the brochure and will return to the pool this week to place items in storage. Lawrence asked if there were any more details given on the survey regarding dissatisfaction with pool staff this year. Pacanowski stated that no details were given by pool members regarding pool staff, however, pool safety was given high satisfaction marks.

Caplis asked why oxygen is required at the pool. Pacanowski responded that this is necessary for emergency services.

### **NEW BUSINESS**

No New Business

### **APPROVAL OF BILLS**

Lawrence asked if Fieldstone residents have contributed to algae control at McCullough Pond. Pacanowski responded that there is contribution from Fieldstone Homeowners Associations. Lawrence asked if there are any complaints from Fieldstone residents regarding algae in the pond. Pacanowski responded that the pond has been clear and no complaints have been received.

Caplis asked why there has been an increase in ice cream purchases. Pacanowski will look into it.

Paulius asked for verification of the SRA 1<sup>st</sup> installment bill for \$19,000. Pacanowski responded that this is for the SRA membership fees, the second installment will be due in 6 months.

Malloy moved to Approve the September, 2025 bills, seconded by Lawrence, and approved by roll call vote.

Ayes: Caplis, Lawrence, Malloy, Paulius      Nays: None      Abstain: None

### **ADJOURNMENT**

Paulius moved, seconded by Lawrence and unanimously approved to adjourn the Regular Meeting at 6:40 pm.
