Welcome to the Before/After School Care (BASC) Program at Gower District 62. The Burr Ridge Park District is honored to be given the opportunity to once again serve the needs of all working parents and their children in the Gower School District. The Park District prides itself in providing a safe, recreational and educational program for every child enrolled in our program.

The BASC program will have its own on-site phone and during operational hours, staff will be available to answer your calls. During non-operational hours messages may be left on voice mail and someone will return them as soon as possible. Please feel free to call the Burr Ridge Park District at any time for additional information or in case of emergency. Parents will receive cards with all Park District and BASC contact names and phone numbers. The Burr Ridge Park District is happy to be responsible for this program, therefore please direct all calls, comments or concerns to the Park District and not to the School District.

We are certain that this program will be a positive experience for everyone.

Limited "late" bus service is available through Gower School District 62 for those families who have paid the annual transportation fee. The "late" bus will pick up students at approximately 4:30 p.m. Students are dropped off at locations in the general area of their homes, but not necessarily at the same stops as the morning and afternoon buses. Students may arrive later than expected depending on the number of the students on the bus that day. Arrival of students could be 5:30 PM or later in some cases.

PLEASE answer the following custom question when you register:  
I would like my child to be transported home from Burr Ridge Park District after school care program by Gower School District's "late" bus. I understand that seating on the "late" bus is limited.
