## Scoop News

The Village of Willowbrook is very excited to have Teresa Mrozik join our staff as the Superintendent of Senior Services. Teresa comes to the Village with seventeen years of experience in the parks and recreation field, spanning positions that she held at the Joliet Park District, Village of Riverside, and Village of North Riverside. Additionally, I am extremely excited to work with Teresa because of her leadership, passion, and experiences. I truly believe that she is going to take this program to another level. The reason I say that is because she truly believes in serving and providing the best possible programs and trips for all of you. Her new slogan "It's All About You" is a fundamental staple for how she programs and feels. Teresa wants to serve and provide memorable experiences and engaging social interaction to fit everyone. The Village strives to be inclusive and have something for every individual. I hope that all of you are as excited for her arrival as I am. I am sure you will notice some changes to the this edition of The Scoop, but also recognize the commitment to provide a variety of services and programs that fit your diverse needs and interests.

The last few months have been quite difficult. I've had to have numerous difficult conversations with many of you about refunds and cancellations. We are past all of that now. There is a new beginning here, and we truly hope that you feel that energy. It has been a pleasure to get to know many of you more. I have tremendously enjoyed our conversations at various Afternoon Delights, the Ruth Lake Socials, or even just the phone calls to register you for programs. I look forward to having more activities and events for all of you to participate in. Thank you for your patience and understanding. We are very excited about this new beginning.

**Sully** - On Thursday, January 15, 2009, the world witnessed the "Miracle on the Hudson" when pilot Chesley "Sully" Sullenberger glided his disabled plane onto the frigid waters of the Hudson River, saving the lives of all one hundred fifty-five aboard. However, even as Sully was being heralded by the public and the media for his unprecedented feat of aviation skill, an investigation was unfolding that threatened to destroy his reputation and his career. PG-13 (2016)

**The Last Laugh** - When retired talent manager Al Hart is reunited with his first client, Buddy Green, a comic who quit show business 50 years ago, he convinces Buddy to escape their retirement community and hit the road for a cross-country comedy tour. TV-MA (2019)

**Death Becomes Her** - In 1978, on Broadway, the decadent and narcissist actress Madeline Ashton is performing *Songbird*, based on Tennessee Williams' *Sweet Bird of Youth*. Then she receives her rival Helen Sharp, who is an aspiring writer, and her fiance Ernest Menville, who is a plastic surgeon, in her dressing-room. Soon Menville calls off his commitment with Helen and marries Madeline. Seven years later, Helen is obese in a psychiatric hospital and obsessed in seeking revenge on Madeline. In 1992, the marriage of Madeline and Menville is finished and he is no longer a surgeon but an alcoholic caretaker. Out of the blue, they are invited to a party where Helen will release her novel *Forever Young* and Madeline goes to a beauty shop. The owner gives a business card of the specialist in rejuvenation Lisle Von Rhuman to her. (continued)

***Death Becomes Her (Cont.)*** - When the envious Madeline sees Helen thin in a perfect shape, she decides to seek out Lisle and buys a potion to become young again. Further, she advises that Madeline must take care of her body. Meanwhile Helen seduces Menville and they plot a scheme to kill Madeline. When Madeline comes home, she has an argument Menville and he pushes her from the staircase. She breaks her neck but becomes a living dead. When Helen arrives at Menville's house expecting that Madeline is dead, she is murdered by Madeline. ***Last Vegas*** - Billy (Michael Douglas), Paddy (Robert De Niro), Archie (Morgan Freeman) and Sam (Kevin Kline) have been best friends since childhood. So when Billy, the group's sworn bachelor, finally proposes to his thirty-something (of course) girlfriend, the four head to Las Vegas with a plan to stop acting their age and relive their glory days. However, upon arriving, the four quickly realize that the decades have transformed Sin City and tested their friendship in ways they never imagined. The Rat Pack may have once played the Sands and Cirque du Soleil may now rule the Strip, but it's these four who are taking over Vegas. PG-13 (2013)

***It's a Wonderful Life*** - George Bailey has spent his entire life giving of himself to the people of Bedford Falls. He has always longed to travel but never had the opportunity in order to prevent rich skinflint Mr. Potter from taking over the entire town. All that prevents him from doing so is George's modest building and loan company, which was founded by his generous father. But on Christmas Eve, George's Uncle Billy loses the business's \$8,000 while intending to deposit it in the bank. Mr. Potter finds the misplaced money and hides it from Uncle Billy. When the bank examiner discovers the shortage later that night, George realizes that he will be held responsible and sent to jail and the company will collapse, finally allowing Mr. Potter to take over the town. Thinking of his wife, Mary, their four children, and others he loves will be better off with him dead, he contemplates suicide. But the prayers of his loved ones result in his guardian angel named Clarence Odbody coming to Earth to help him, with the promise of earning his wings. He shows him what things would have been like if he had never been born. PG (1946)
